Dear Erich,

On Sunday of this week, you sent me a follow up email asking if I would send you a copy of our original response to your CPRA request on letterhead. Here it is. I hope this helps. If I can be of further assistance, please let me know.

> We are in receipt of your CPRA request for our records concerning any MOU's or other documents related to a Camera Registration Program. We do not have any response documents that I've been able to find. The reason is that we do not have such a program. Our Bureau of Investigation does not utilize such a program. While local law enforcement agencies, such as SJPD, may have such a program, the District Attorney's Office does not. As such, we do not have any responsive documents. If I learn of anything further, I will let you know.
